

Breez Bot is a multi-purpose bot used to create custom versions that includes 20 default features and has +25 extras available. Everything in the bot can be modified and it's also possible to write totally new sections for a specific version.

The cost of a customization of this bot is 900 tokens and includes any number of menu items and rotating notices. The number of clubs (2) can also be increased up to 5 with no cost, and the Secret Show section can be replaced by a Ticket Show, if needed.
